

KING-MURPHY KINDERGARTEN REGISTRATION

Thank you for choosing King-Murphy Elementary School for your child. The following packet contains the forms needed to complete registering your child for the upcoming school year.

- 2017/2018 Census Enrollment Form
- Student Emergency Card
- Clear Creek Health Information Form
- Medication Administration in School or Child Care
- CCSD Open Enrollment Form

In addition to the attached forms, please also include the following:

- Copy of Birth Certificate
- Current Immunizations
 - o Provide updated immunizations once child has had 5 year old shots; records may be faxed to: 303-674-6735

If you have any questions, please contact us at 303-670-0005.

We look forward to having your child join us at King-Murphy Elementary School.

CLEAR CREEK SCHOOL DISTRICT RE-1

APPLICATION/REGISTRATION FORM

OPEN ENROLLMENT FOR OUT OF DISTRICT STUDENTS

We would appreciate your completing this form in its entirety. Renewal applications must be received by the last day of school of the current school year. Registration for new applications must occur before October 1st of the year for which you are requesting enrollment. Admittance will depend on space available in the building and classes the student wishes to take. Determination will be made by the Building Principal and the Superintendent of Schools. Transportation routes will not be adjusted to meet the need of the out of district student. Student(s) may, however, ride existing routes. NO extensions of bus routes will be considered

I request permission to change schools for the _____ school year for the following student(s):

Student's name: _____

Address: _____

Home/Best Phone: _____

Parent(s) Name(s): _____

Grade student will be entering the NEXT school year: _____

School student wants to attend: _____

School student attending this year: _____

School student would normally attend under regular boundary restrictions: _____

Has student been denied admission to present district or another district based on disciplinary actions?

Is student presently or in the past received special education services: _____

If yes, what type? *Please explain on the backside of this sheet.*

I acknowledge that I have received a copy of the Student Admission Policy and understand its provisions, and I agree to the terms and condition as outlined

Parent/Guardian Name _____ Signature _____ Date _____

Medication Information:

Is your child taking any medications regularly? Y N

If yes, please list Medication name: _____ Associated health condition: _____

Medication name: _____ Associated health condition: _____

Medication name: _____ Associated health condition: _____

Is your child allergic to any medication? Y N

Medication name: _____ Reaction: _____

Medication name: _____ Reaction: _____

Medication name: _____ Reaction: _____

If your child must receive medication OF ANY TYPE (including prescription, non-prescription (over-the-counter), and homeopathic medications) during school hours, we ask you to consider one of the following options: (1) YOU MAY COME TO THE SCHOOL to give the medication to your child at the appropriate time; or (2) YOU MAY OBTAIN A MEDICATION ADMINISTRATION FORM from the school or online and HAVE YOUR DOCTOR indicate on the form the DRUG, DOSE, AND TIME to be given. Please be sure he/she SIGNS THE FORM. We also need a pharmacy-labeled bottle containing the medication and instructions. If the student will self-carry a medication, the physician must indicate this on the form. YOU MAY DISCUSS WITH YOUR DOCTOR an alternative schedule of medication so that it can be given outside of school hours. In order for your child to attend school, immunization documentation needs to be submitted to the school office by the first day of attendance. If immunization record is not complete, the student MUST see the school nurse or designee before enrollment can be completed.

Health Concerns: Parents/Guardians are responsible for providing full details on any medical condition to the school nurse.

Please indicate below any health conditions your child has experienced, check all that apply.

- Allergies (list below)
- Asthma
- ADD/ADHD
- Bowel/Bladder
- Diabetes
- Emotional/Behavioral
- Fractures
- Headaches
- Head Injury/Concussion
- Hearing Concerns
- Hearing Aids
- Heart
- Prosthesis/Limb Braces
- Seasonal Allergies
- Seizures
- Skin Conditions
- Speech Concerns
- Surgeries
- Varicella (Chickenpox)
- Vision Concerns
- Contacts
- Glasses
- Other _____
- Other _____

If any health conditions were indicated above, please explain in detail. Specify if an individualized health care plan is needed this school year for the condition (e.g., Allergies, Asthma, Diabetes, Seizures), which must be completed annually by a physician, or if the condition has resolved.

Medication Administration in School or Child Care

The parent/guardian of _____ ask that school/child care staff give the
(Child's name)
following medication _____ at _____
(Name of medicine and dosage) (Time(s))

to my child, according to the Health Care Provider's signed instructions on the lower part of this form.

Prescription medications must come in a container labeled with: child's name, name of medicine, time medicine is to be given, dosage, date medicine is to be stopped, and licensed health care provider's name. Pharmacy name and phone number must also be included on the label.

Over the counter medication must be labeled with child's name. Dosage must match the signed health care provider authorization, and medicine must be packaged in original container.

The Program agrees to administer medication prescribed by a licensed health care provider with prescriptive authority. The parent agrees to pick up expired or unused medication within one week of notification by staff.

By signing this document, I give permission for my child's health care provider to share information about the administration of this medication with the nurse or school staff delegated to administer medication.

King-Murphy Kindergarten Program

2017-2018

King-Murphy Kindergarten

Dear Parents,

I am looking forward to your child entering our kindergarten program next year. The first years of elementary school are so important to a child's school experience. During these early years, the beginnings of academic learning are established and children develop life-long habits and attitudes about learning. The kindergarten program at King-Murphy reflects a belief that children are active learners. They build meaning and understanding by making connections with their existing knowledge and through inquiry. King-Murphy is an accredited **International Baccalaureate School** and offers the **Primary Years Programme**; an internationally recognized program with student-driven inquiry at the heart of the curriculum (see attached information).

Our kindergarten students bring varied experiences, interests and needs to the classroom. The goals of our program are to foster the educational, social, emotional, and physical needs of children. These goals include:

- Acquire essential academic knowledge and develop problem solving ability.
- Communicate effectively.
- Develop the attributes of the International Baccalaureate Learner Profile.
- Demonstrate social confidence and emotional security.
- Act responsibly.
- Show initiative, self-direction, and motivation.
- Follow classroom expectations and routines.
- Use materials purposefully and respectfully.
- Manage transitions and adapt to new situations and events.
- Collaborate with peers.
- Use knowledge gained in school to make impactful choices (take action).
- Show eagerness and curiosity.
- Sustain attention to work over a period of time.
- Follow multi-step directions.
- Show empathy and caring for others.
- Strive to become life-long learners.
- Approach tasks with flexibility and inventiveness.
- Participate in group life of the class.

Children in kindergarten learn concepts and skills essential to ensure their readiness to begin first grade. Parents are encouraged to support their child's learning by assisting them in the curriculum areas.

Language Arts/Reading

Students participate in reading, listening, and speaking. Students will:

- listen attentively and follow directions.
- communicate in complete sentences.
- identify forms of print: letters, words and sentences.
- use concepts of print: top to bottom and left to right.
- sequence events.
- sound out words.
- identify rhyming words.
- write their first and last name.
- blend letter sounds to create words.
- recognize and print letters of the alphabet.
- know letter sounds.
- recognize many simple sight words.
- use a variety of strategies to predict words and make sense of text.

Writing

Students will be given daily opportunities to write on a variety of topics. Students will:

- create a message through drawing, telling, and/or writing.
- spell simple words.
- apply letter/sound relationships when writing.
- begin to understand simple capitalization and punctuation rules.

Mathematics

Children will develop an understanding of mathematical concepts and skills through games, the use of manipulatives, and traditional pencil and paper activities. Students will:

- count by ones to 100
- write numerals 0-20
- sort, classify, and describe groups of objects.
- solve problems using objects.
- explore the concept of probability.
- read and create simple graphs.
- compose and decompose numbers demonstrating knowledge of place value.
- recognize, create, and extend patterns.

Science and Social Studies:

Science and Social Studies are taught through integrated units of inquiry. Students will have opportunities to participate in investigations and develop observation skills. Please refer to the section that follows to review the units of inquiry for kindergarten. **In addition to these units**, the children will also explore:

- seasons
- Thanksgiving
- continents
- Native Americans
- Martin Luther King, Jr., President's Day
- animals

Art/P.E./Music

Kindergarten children participate in one special class each day. They attend classes in Music, Physical Education and Art. In addition to special classes, the kindergarten classroom lends itself easily to a variety of art, music and movement experiences. The children perform a holiday program in December and another play in the spring.

Spanish

Kindergarten students will participate in an interactive Spanish class as part of their specials program. Classes in Spanish are attended every other week throughout the year. By using an integrated curriculum, students acquire a second language in a way that is fun and natural. Students become risk-takers, learning that making mistakes is part of the learning process when acquiring a second language. Students will be encouraged to speak by using dialogue and simple words, in keeping with their natural cognitive development. In addition to exposure to the language, students will be introduced to the Hispanic culture (foods, music, dance, and celebrations).

Kindergarten is truly an amazing year of change. At King-Murphy we believe that when children are in an environment that is conducive to learning and expected to learn, they will. All this is done at a level appropriate for their age, respecting each child's unique situation and individual strengths. Students are continually challenged to deepen their understandings and knowledge. Throughout this growth, they are still playing, having fun, and making friends.

If you have further questions about the kindergarten program at King-Murphy, feel free to contact me at (303) 670-6121. I can also be reached via email at the address below. Visitations to our kindergarten are welcome. If you would like to schedule a parent observation, please contact the office at (303) 670-0005.

An informal **Open House** is scheduled for **Friday, May 11th 2017, at 3:35 p.m.** This is a time for you and your child to see the classroom and get more information about our program. Please mark your calendar!

I look forward to working with you and your child next year!

Sincerely,

Polly Fisher
King-Murphy Kindergarten Teacher
paulyne.fisher@ccsdre1.org

The International Baccalaureate Primary Years Programme and Units of Inquiry

King-Murphy is an accredited **International Baccalaureate School** and offers a Primary Years Programme of Inquiry (PYP) for children K-6. This internationally recognized program focuses on the total growth of the whole child. PYP touches hearts as well as minds and encompasses the social, physical, emotional, and cultural needs of the child through an inquiry-based program.

Structured inquiry is the leading vehicle for learning in the PYP. Inquiry, interpreted in the broadest sense, is the process (initiated by the learner or the teacher), which moves the learner from his or her current level of understanding to a new and deeper level of understanding. This can involve:

- Exploring and wondering.
- Questioning.
- Collaborating.
- Experimenting and discussing possibilities.
- Researching and seeking information.
- Collecting data and reporting findings.
- Clarifying and refining existing ideas.
- Deepening understanding through the application of a concept or rule.
- Making and testing theories.
- Making predictions and confirming or changing them based on new information.
- Elaborating on solutions to problems.

Six transdisciplinary themes provide the framework for the exploration of knowledge. The themes and the units of inquiry for kindergarten follow:

Theme: Who We Are

Central Idea: Problems can be solved peacefully.

Lines of inquiry

- Conflict
- Cooperation
- Personal Responsibility
- Identifying a different perspective

Theme: Where We Are in Time and Place

Central Idea: Lifestyles (what we eat, wear, where we live and transportation) are determined by our location and available resources.

Lines of Inquiry:

- Resources
- Connection between location and lifestyle
- Resources vary throughout the world

Theme: How We Express Ourselves

Central Idea: Stories can be brought to life through drama.

Lines of Inquiry: Stories can be brought to life through drama.

- Identifying drama
- Common components in stories
- Dramatic techniques

Theme: How the World Works

Central Idea: Living organisms play important roles in the cycle of life.

Lines of Inquiry:

- Food chains and consequences of food chain interruption
- Needs of living things
- The roles of consumers, producers, and decomposers
- Common characteristics of living things

Theme: How We Organize Ourselves

Central Idea: People create systems to ensure fairness.

Lines of Inquiry:

- Rights of people – basic needs/rights
- Laws and rules that help ensure fairness
- Unfair situations
- Creating change

Theme: Sharing the Planet

Central Idea: Forests are necessary for life on earth.

Lines of Inquiry:

- Trees and their contribution to our world
- Similarities and differences between forests around the world
- Sharing and preserving forests

We recognize that there are no specific indicators to show when a child is ready for kindergarten. However, these are some general skills and areas of exposure that will make the transition into kindergarten easier for your child.

- listen to stories without interruption
- recognize rhyming sounds
- pay attention to adult-directed tasks for short periods of time
- understand actions have both causes and effects
- show understanding of general times of the day
- trace basic shapes
- hold a pencil correctly
- begin to share with others
- cut with scissors using correct hand position
- begin to follow rules
- manage bathroom needs
- button shirts, pants, coats and zip up zippers
- speak understandably
- separate from parents without being upset
- look at pictures and then tell stories
- identify some alphabet letters
- recognize groups of one, two, three, four, and five objects
- count to ten

Ten Signs of a Good Kindergarten Classroom

(from the National Association for the
Education of Young Children)

1. Children are playing and working with materials or other children. They are not aimlessly wandering or forced to sit quietly for long periods of time.
2. Children have access to various activities throughout the day, such as block building, pretend play, picture books, paints and other art materials, and table toys such as legos, pegboards, and puzzles. Children are not all doing the same things at the same time.
3. Teachers work with individual children, small groups, and the whole group at different times during the day. They do not spend time only with the entire group.
4. The classroom is decorated with children's original artwork, their own writing with invented spelling, and dictated stories.
5. Children learn numbers and the alphabet in the context of their everyday experiences. Exploring the natural world of plants and animals, cooking, taking attendance, and serving snack are all meaningful activities to children.
6. Children work on projects and have long periods of time (at least one hour) to play and explore. Filling out worksheets should not be their primary activity.
7. Children have an opportunity to play outside every day that weather permits. This play is never sacrificed for more instructional time.
8. Teachers read books to children throughout the day, not just at group story time.
9. Curriculum is adapted for those who are ahead as well as those who need additional help. Because children differ in experiences and background, they do not learn the same things at the same time in the same way.
10. Children and their parents look forward to school. Parents feel safe sending their child to kindergarten. Children are happy; they are not crying or regularly sick.

If your child must receive medication OF ANY TYPE (including prescription, non-prescription (over-the-counter), and homeopathic medications) during school hours, we ask you to consider one of the following options: (1) YOU MAY COME TO THE SCHOOL to give the medication to your child at the appropriate time; or (2) YOU MAY OBTAIN A MEDICATION ADMINISTRATION FORM from the school or online and HAVE YOUR DOCTOR indicate on the form the DRUG, DOSE, AND TIME to be given. Please be sure he/she SIGNS THE FORM. We also need a pharmacy-labeled bottle containing the medication and instructions. If the student will self-carry a medication, the physician must indicate this on the form. YOU MAY DISCUSS WITH YOUR DOCTOR an alternative schedule of medication so that it can be given outside of school hours. In order for your child to attend school, immunization documentation needs to be submitted to the school office by the first day of attendance. If immunization record is not complete, the student MUST see the school nurse or designee before enrollment can be completed.

Health Concerns: Parents/Guardians are responsible for providing full details on any medical condition to the school nurse. Please indicate below any health conditions your child has experienced, check all that apply.

- | | | | |
|---|---|---|---|
| <input type="checkbox"/> Allergies (list below) | <input type="checkbox"/> Fractures | <input type="checkbox"/> Prosthesis/Limb Braces | <input type="checkbox"/> Varicella (Chickenpox) |
| <input type="checkbox"/> Asthma | <input type="checkbox"/> Headaches | <input type="checkbox"/> Seasonal Allergies | <input type="checkbox"/> Vision Concerns |
| <input type="checkbox"/> ADD/ADHD | <input type="checkbox"/> Head Injury/Concussion | <input type="checkbox"/> Seizures | <input type="checkbox"/> Contacts |
| <input type="checkbox"/> Bowel/Bladder | <input type="checkbox"/> Hearing Concerns | <input type="checkbox"/> Skin Conditions | <input type="checkbox"/> Glasses |
| <input type="checkbox"/> Diabetes | <input type="checkbox"/> Hearing Aids | <input type="checkbox"/> Speech Concerns | <input type="checkbox"/> Other _____ |
| <input type="checkbox"/> Emotional/Behavioral | <input type="checkbox"/> Heart | <input type="checkbox"/> Surgeries | <input type="checkbox"/> Other _____ |

If any health conditions were indicated above, please explain in detail. Specify if an individualized health care plan is needed this school year for the condition (e.g., Allergies, Asthma, Diabetes, Seizures), which must be completed annually by a physician, or if the condition has resolved.
