

Welcome to the King Murphy Preschool Program

Philosophy

We believe that each child should be exposed to a variety of experiences that assist in their development of:

1. Self-help skills, self-direction and independent thinking.
2. Listening, language expression, and emergent reading and writing skills.
3. Numerical and geometrical relationships and identification.
4. Positive social interactions and relationship building with peers and adults.
5. Science and nature awareness.
6. Both fine and gross motor development.

Purpose

King Murphy Preschool will provide quality, developmentally appropriate, and inclusive programming that contributes to the education, health and well-being of preschool children in a safe and enriching environment. An atmosphere will be fostered in which parents and teachers collaborate to support the children in order to encourage students' development both academically and socially; each at his/her own pace.

Days and Hours of Operation

The Preschool's daily schedule is as follows:

Children are enrolled for two days or for four days per week. The four day option is limited and is contingent upon availability.

Enrollment choices: Tuesday and Thursday from 8:30-3:00 (3 year olds)

Wednesday and Friday from 8:30-3:00 (4-5 year olds) or
Tuesday, Wednesday, Thursday & Friday from 8:30-3:00 (4 & 5 year olds)

Mondays will be the teacher planning, administrative management and Colorado Preschool Program management days. No students will attend on Mondays. Days of operation adhere to the Clear Creek School District Calendar including district vacation time, mini days, teacher compensatory days, and teacher work days.

The Preschool adheres to the same annual calendar as the rest of Clear Creek School District.

Fee Schedule

A non-refundable registration fee of \$50 is required at the time an application for preschool is submitted. Tuition for two days per week is \$285 per month. Tuition for four days per week is \$570 per month. Billing will occur during the first week of each month. Payment is due by the 15th of each month. After the 15th, late notices will be sent out if necessary and a late fee of \$10 will be assessed. If payment is not received by the end of the month, the late fee will increase to \$25. Tuition payment is expected monthly throughout the student's enrollment period regardless of whether or not he/she attends each day. The tuition schedule must be maintained unless prior arrangements are made between the student's parent/guardian, and the Preschool Director. Consistent late or missing payments may result in a child's withdrawal from the program. The Preschool maintains the same calendar schedule as rest of King Murphy Elementary. Full tuition is expected each month regardless of student attendance which includes illness, family vacations, district planned breaks, family planned vacations, teacher in-service and compensation days as well as district snow days or emergency closures of any kind.
