The above named student(s) has/have my permission to ride the school bus to and from school. I have received a copy of the Rules of Conduct, read them, and will do my part to enforce them. I understand the privilege of riding the school bus may be suspended and/or revoked for failure to comply with these rules.

PLEASE NOTE: The District has installed video recording equipment on some school buses to monitor student behavior and may be videotaping on bus routes at random during the school year. Students will not be notified when a recording device has been installed. Tapes will be reviewed on a routine basis and evidence of student misconduct will be documented. Students found to be in violation of the district's bus conduct rules will be notified and disciplinary action will be initiated under the Board adopted Code of Conduct and Discipline. Films may be erased after five days.

Please contact the Transportation Department if you would like any further information.
